## Summary Results

All participants completed the study. Under the test conditions, SDS (1% in water) caused positive reactions in 13 subjects. The negative control water showed no reactions. None of the subjects showed any reaction to the test product. On the basis of the test results and under the test conditions, the product

**“Prowin Sundays Sunstick SPF 50”**

is to be classified as 'harmless' as regards the possibility of skin irritation.
